Arrivals

Please refer to the guidelines below to ensure your journey is safe:

- Follow the instructions laid down by airlines on disembarkation.
- Wear face masks/hand gloves and follow social distancing at various touch points at the airport to be safe and secure.
- Sanitizers are placed at strategic locations at the airport, right from the entry to boarding points.
- On arrival at the destination, passengers are advised to adhere to the health protocols as prescribed by the destination State/UT.
- Wait at the baggage hold area till the baggage arrives in batches. Please follow the markings at various processing points at the airport.
- Passengers are requested to follow the markings at the baggage belt.

Immigration

All baggage clearances have to undergo two channels for customs clearances

- **Green channel** - Nothing to declare
- **Red channel** - Carrying Goods to Declare
- Important to Note: Non-declaration & wrongful declaration of any dutiable good may attract confiscation of goods, fine or penalty. Serious offences like attempting to smuggle Gold, without declaration may lead to arrest & prosecution. The Indian Revenue Department has specified a list of items, including the size that can now be imported duty-free as part of the baggage.
- You can get more information on items and rules & regulation by [clicking here.](#)
